Hal : Informasi Kansai University Exchange Students for Fall Semester 2025

Yth.  
Para Dekan  
Universitas Udayana  
di Jimbaran/Denpasar

Sehubungan dengan surat elektronik dari Kansai University, Jepang, kami sampaikan bahwa Kansai University membuka pendaftaran untuk *Exchange Students for Fall Semester 2025* yang memiliki batas pendaftaran sampai dengan 20 April 2025. Mahasiswa yang mengikuti program ini akan mendapatkan beasiswa dan wajib mengikuti kursus, seminar, serta magang di Jepang. Berkenaan dengan informasi diatas, mohon kesediannya untuk menyebarkan informasi tersebut kepada mahasiswa di fakultas yang Bapak/Ibu pimpin.

Berikut adalah tautan resmi dari Kansai University :

|                                                 | <p>① KUGF curriculum<br/>The purposes of <a href="#">the KUGF curriculum</a> are to improve language proficiency and communication skills, develop a high level of cross-cultural understanding, and foster global leadership skills. The curriculum can be categorized into 2 courses. Please refer to <a href="#">KUGF Course Guide</a> for contents of the courses and language requirements.</p> <p>Global Frontier and Skill Up for Studying Abroad<br/>These courses are taught entirely in English and are open to both Japanese and international students. Global Frontier courses consist of 8 Modules. The purpose of Skill Up for Studying Abroad courses is to acquire English language skills.</p> <p>② Courses for International Students<br/>These courses are to support international students with Japanese language studies. We provide various levels of classes, from basic to advanced. You will be taking an appropriate level of Japanese classes after a language placement test done by a Japanese teaching specialist. We offer not only Japanese language courses but also courses that provide basic knowledge on Japan, introduce cultures of Japanese companies, business Japanese and courses that place you in a real company or an organization.</p> <p>③ Specialist subjects (courses offered by other faculties)<br/>Exchange students whose Japanese language ability is sufficiently high as proven on the Japanese language placement tests taken after their arrival in Japan can enroll in classes of these faculties.<br/>Students can learn a wide variety of subjects from general cultural subjects to specialist ones through these courses, held in the 13 faculties of Kansai University. These are studied in Japanese and students can expect an improvement in their level of Japanese proficiency as well as learning at a higher level of specialty.</p> <p>*The following is used as a guideline for the level of Japanese proficiency required to enroll in specialist subjects.</p> <table><tr><th>Test Name</th><th>Reference Score</th></tr><tr><td>JLPT (Japanese Language Proficiency Test)</td><td>N2 or higher</td></tr><tr><td>J.TEST (Test of Practical Japanese)</td><td>Level C or higher</td></tr><tr><td>CEFR</td><td>B2 or higher</td></tr></table> | Test Name | Reference Score | JLPT (Japanese Language Proficiency Test) | N2 or higher | J.TEST (Test of Practical Japanese) | Level C or higher | CEFR | B2 or higher |

| Acceptance at Kansai University Graduate School | If students wish to study at Kansai University Graduate School during the exchange program, they will be assigned a professor to provide support for research activities.<br>Students who wish to undertake research at the graduate school must search for a professor suitable for their research theme using <a href="#">the KANSAI UNIVERSITY System for Academic Information</a> and submit a research plan (in either Japanese or English) at the time of application.<br>*Graduate courses may not be opened if there are no regular students to take a course of a relevant graduate school.<br><b>*Regarding acceptance as a graduate exchange student, acceptance may be refused at the discretion of the professor due to inconsistency in research content, Japanese proficiency, and etc. In that case, please note that students will be accepted as an undergraduate exchange student.</b>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                 |           |                 |                                           |              |                                     |                   |      |              |
| Upper Limit of Credits That Can Be Earned       | Undergraduate Exchange Students: 24 credits per semester<br>Graduate Exchange Students: 14 credits per semester                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                           |           |                 |                                           |              |                                     |                   |      |              |
| Concept of Credit and Study Hours               | <b>Study hours per credit</b><br>We define 1 credit as equivalent to 45 hours' worth of learning as standard.<br><br>The definition above does not apply to some of the courses.<br>We will inform you separately in case your students take such courses.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                |           |                 |                                           |              |                                     |                   |      |              |
| Course Load per Week                            | In principle, students need to register for at least 7 classes per week. However, students who will be studying at Kansai University as a graduate exchange student does not apply to this requirement.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                   |           |                 |                                           |              |                                     |                   |      |              |

| Procedures for Obtaining a Student Visa                      | Kansai University will obtain a digital Certificate of Eligibility (e-COE) and send it to the student directly. With the e-COE, exchange students can apply for a “Student” visa at the nearest Japanese embassy or consulate overseas.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                               |
| Permission for Undertaking a Part-time Job                   | If students apply for work permission, they will be able to work part-time and receive remuneration despite their status as “Student” (please note that they can only work for 28 hours per week). If they are planning to work part-time in Japan, they must apply for work permission.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                              |
| Status of Residence<br>After Completing the Exchange Program | Even if the residence card is still valid at the time of program completion, students must return to their home country by September 20th for the Spring semester and by March 31st for the Fall semester. Please be noted that students are obliged to hand in the soft copy of their flight ticket for returning home before leaving Japan as well as the invalid residence card after returning home as Kansai University manages international students' status of residence pursuant to Article 19 (17) of the Immigration Control and Refugee Recognition Act and the Notice on Appropriate Acceptance and Registration Management of International Students from the Ministry of Education, Culture, Sports, Science and Technology.<br><br>In addition, Kansai University will not support students to change their status of residence other than "Student". |

| 8. Health Insurance and Overseas Travel Accident Insurance |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                               |                                                                                                                                     |                                                                                                                                                                                                                                                                                                        |

| Insurance                                                  | <b>National Health Insurance (paid by the student)</b><br>If you get sick or injured during your stay in Japan, National Health Insurance makes it possible to receive medical treatment by only paying part of the medical expenses (partial obligation). In principle, it is possible to receive medical treatment with the payment of just 30% of the total medical care expenses. Exchange students are obligated to buy the National Health Insurance.                                                                                                                                                                                                                                                                                                                                                   |                                                                                                                                     |                                                                                                                                                                                                                                                                                                        |
|                                                            | <b>Personal Accident Insurance for Students Pursuing Education and Research (PAS) (paid by the University)</b><br>The Personal Accident Insurance for Students Pursuing Education and Research (PAS) is taken out collectively so that a minimum level of insurance benefits can be received if an unexpected accident or disaster occurs during education or research that results in injury.                                                                                                                                                                                                                                                                                                                                                                                                                |                                                                                                                                     |                                                                                                                                                                                                                                                                                                        |
