Re: DAAD Online Information Session

Dear Sir/Madame,

Greetings from DAAD regional Office Jakarta!

Please allow me to briefly introduce myself, my name is Muji Rahayu, I am the Deputy Director of the DAAD (German Academic Exchange Service) Regional Office Jakarta. DAAD is the world's largest funding organization dedicated to promoting international exchange of students and researchers. The DAAD office in Jakarta was established in 1990 and offers various funding programs such as individual scholarships for Bachelor's, Master's, PhD and Post-doctoral levels, various trainings related to higher education management and cooperation project between Indonesian and German higher education institutions.

To effectively reach potential candidates for our programs, we are organizing a series of information sessions across various universities in Indonesia. For campuses outside the Jabodetabek area, these sessions will be conducted online to ensure accessibility. For campuses within the Jabodetabek area, we offer the flexibility of either online or offline sessions, depending on mutual agreement.

Considering that NUNI (Nationwide University Network in Indonesia) is a strategic collaboration comprising various universities across Indonesia, we have proposed an initiative to conduct an online information session.

We are pleased to confirm that the suggested date and time—**25 June 2025, from 09:00 to 11:00** Western Indonesian Time—works well for us.

We look forward to your positive response and are eager to collaborate in providing valuable information to prospective candidates.

Sincerely yours,

Muji Rahayu
